## What is Youth Alpha?

Youth Alpha is an opportunity for young people in school years 7—9 to find out who Jesus really is and how Christianity and real life fit together in a relaxed, non-threatening, friendly and fun environment. Snacks, nibbles and drinks will be provided each week, along with a tuck shop.

### Away Day

The course also includes a day away together, a chance to do some fun activities as well as the usual course material. *The provisional date of the Away Day is Saturday 25<sup>th</sup> February 2012*, and will involve some extra cost. Please keep this date free as it is an important part of the course.

### Who is it for?

Anyone can come along to a course, no matter what you believe, but the course content will explore these beliefs alongside the life and teachings of Jesus. Rock Solid is our regular youth group for early teens on Monday evenings, but this term we are running Youth Alpha instead and want to encourage all our Rock Solid members to not only engage with the course material again, but more importantly invite others and support those doing the course for the first time!

Whether you've been a Christian for a little while and still have some questions, or whether you just want to explore a bit about what Christians really believe, then Youth Alpha will be worth it!

## Begins Monday 9th January 2012

For more info, contact Ian McGrath (Youth Pastor) on 01524 590 417, [ian@st.tees.org.uk](mailto:ian@st.tees.org.uk), or see [www.st.tees.org.uk/youth](http://www.st.tees.org.uk/youth)
