

Getting Connected @ St Thomas's Church

Here at St Thomas's Church we encourage everyone to join in *sharing God's love from the heart of the city*. We believe that a healthy Christian faith is lived out in three dimensions – UP, IN, and OUT. As a result, we encourage everyone to find:

1. a place where they can worship God and receive from him (UP),
2. a place where they can know and be known by others in the church (IN),
3. a place where they can serve God in ministry and mission (OUT).

Because God has made each one of us different, we as a church have committed ourselves to developing *multiple points of entry* into church life, and *multiple ways of belonging* as we live out the Christian faith. One size does not fit all!

That's why we've put together this directory, to give you a snapshot of what is currently happening at St Thomas's Church. As you look through this directory, please ask God if he is calling you to get involved in one or more of these areas:

- If so, please get in touch with the person named as a contact, to find out more about getting involved.
- If not, is there something else that God is calling you to start? If you believe that God has given you a passion to reach people we are not currently reaching, pick up a leaflet called '*How to start a Missional Group*' from the welcome desk in the foyer, or get in touch with a member of our clergy team for a chat: Jon, Craig, or Helen (each firstname@st.tees.org.uk).
